

MyFlow®

Open Office Meeting

SOFA | SPACE WITHIN THE SPACE

Design Vertti Kivi

The high back and sides of the MyFlow Open Office Meeting sofas provide protection and privacy in working environments, schools, public lobbies and waiting areas. The sofas can be combined to a space within the space spot by connecting two sofas with designed –for-purpose– connecting screen,

MyFlow Open Office Meeting sofas are available in three different widths with selected accessories.

SOFA | SPACE WITHIN THE SPACE

Datasheet

Upholstery fabrics

Fighter, Cura, Steelcut Trio, Blazer, Blazer light, Synergy, Gentle 2.

Armrest

Armrests are available as an accessory. A wooden armrest cover available as an accessory as black, white or ash.

Sockets

Electricity will be available as an accessory 2021 for the armrests. Black or white socket (incl. 1 x schuko & 1 x USB).

Other accessories

A table, screen mountings, a whiteboard and a clothes hook will be available 2021.

Back and side screens

The sofa is always equipped with the back and side screens. The corner can be selected either straight or rounded (R90) as desired. The total height of the sofa is 1500 mm. The back and side screens can be selected with one or two upholstery colors.

Connecting screen

By adding complementary connecting screens between two sofas, MyFlow Open Office Meeting creates a peaceful meeting space in any open environment.

The connecting screens are of same heights as the sofa's back and side screens. The width can be chosen from the three alternatives of 630 / 700 / 800 mm.
