

MyFlow®

Lounge M

EASY CHAIR

Design Vertti Kivi

Lounge M is a narrow-lined lounge chair in the MyFlow product family. The multi-purpose chair fits in the lobby areas both as stand-alone eyecatchers or as part of an inviting seating group. It combines nicely with MyFlow sofas forming unique and stylish seating areas. Thanks to the height of the backrest, the chair can be used with a table of the standard height. The plinth material lightens the appearance, but at the same time makes the product wear resistant.

Materials and finishing

Plinth	Wood coated with painted steel, height 60 mm
Upholstery	MyFlow dedicated fabrics (e.g. Blazer, Fighter, Gentle 2, Steelcut Trio, Synergy)

The Lounge M chair is available with or without a swivel mechanism.

Dimensions

Width	630 mm
Depth	590 mm
Height	750 mm
Seating width	490 mm
Seating height	450 mm
Seating depth	500 mm

MyFlow®

Lounge L

EASY CHAIR

Design Vertti Kivi

MyFlow Lounge L is a rotating lounge with comfortable padding and higher back. The chair provides its users with privacy to take a break or to concentrate on work casually. It combines nicely with MyFlow sofas forming unique and stylish seating concepts. Well-made upholstery makes the chair comfortable and appealing. The look of the easy chair is easy to vary with upholstery choices. The plinth material lightens the appearance, but at the same time makes the product wear resistant.

Materials and finishing

Plinth	Wood coated with painted steel, height 60 mm
Upholstery	MyFlow dedicated fabric (e.g. Fighter, Steelcut trio, Blazer, Blazer light, Synergy, Gentle 2)

The Lounge L chair is equipped with a swivel mechanism as standard.

Dimensions

Width	910 mm
Depth	680 mm
Height	850 mm
Seating width	730 mm
Seating height	450 mm
Seating depth	600 mm

MyFlow®

Lounge XL

EASY CHAIR

Design Vertti Kivi

Lounge XL is the largest lounge chair in the MyFlow product family. In fact, it's like a space within the space enabling peaceful den and privacy even in a busier environment. The upholstered Lounge XL serves also as an acoustic element reducing noise. The appearance of the chair is easy to vary with fabric and colour choices.

Materials and finishing

Plinth	Wood coated with painted steel, height 60 mm
Upholstery	MyFlow dedicated fabric (e.g. Fighter, Steelcut trio, Blazer, Blazer light, Synergy, Gentle 2)

The Lounge L chair is equipped with a swivel mechanism as standard.

Dimensions

Width	970 mm
Depth	750 mm
Height	1310 mm
Seating width	739 mm
Seating height	450 mm
Seating depth	600 mm
